July 18, 2022 – Dr. Tenpenny / Reiner Fuellmich

Legal status, the WEF, Governments, global health institutions, pharmaceutical and the vaccine industry are all lying to us. The good news is we are winning. We must stay vigilant, and we

must work with functioning democracy and rule-of-law supporting courts to move forward. We must increase our efforts to inform more Canadians because the main-stream media is captured and no longer functions as an objective information source.
